3.Government Memorandum No.61077/53 Pension I dated 5.9.1953.

--

Sri C.F.J.Pinto was serving as copyist in the Revenue Department for over 50 years. He was continuously on leave from1.6.50 until his death on 5.5.52, on the ground of illness. He left behind him his widow Seraphina Pinto, and three daughers Rosely Pinto, Clotilda Pinto, and Benedicta Pinto. Thefirst daughter is thewife of a practising lawyer at Bangalore. The second is a nun in a convent at Mangalore while the third daughter who is aschool mistress, at Puttur is living with the deceased's widow. The deceased owns a landed property assessed at Rs.5-2-0 in Puttur Town. The entire property, containing a tiled house, is in the occupation of thedeceased's widow, and two rented thatched huts have been bequeathed in favour of his (deceased's)third daughter. The widow has only a life interest, in the property. She and her daughter Benedicta Pinto, are putting up together, and the income derived in the shape of rental for the two thatched huts and from the salary drawn by the daughter, is hardly sufficient for their maintenance. Hence the widow requests the Government to grant gratuity in accordance with therules.

Enquiry held reveals that No. S.Register was maintained for the deceased. But with reference to the Board's orders in its reference second cited, a fresh Service Roll has since been constructed with reference to the office copy of the pay bills maintained and is enclosed. It isseen from the S.Roll that the late copyist was serving since 10.9.1898 and was working as such for over50 years. He was getting a pay of Rs.15/- and in

addition bonus at the rate of 0-2-0 per sheet, over and above, the prescribe minimum of 132 sheets copied. The pay last drawn by thedeceased was Rs.27-7-0. The conduct and character of the deceasedarereported to have been good through out. Except the three daughters mentioned in para 1 thedeceased has no other heirs either males or females. The family consisting of the mother and the daughter, is living on the salary of Rs.64.8.0 a month earned by the daughter, Benedicta as a school mistress and Rupees (20-0-0) a month obtained in the shape of rent for the two rented thatched huts. Benedicta is unmarried and but for the pecuniary assistance rendered by her,it would not be possible for the widow to get on. The widow can not always count up on the help, she is now getting from her daughter who will be separated from the mother when she getsmarried. The deceasedhad neither joined the provident fund nor had he taken out a policy in an Insurancecompany.

The widow states that she had incurred a dbet of about 2500/- for the funeraletc. of the deceased. But this statement is not proved by any documents and is obviously an exaggeration. In view however, of the long service of the deceased and the meagre assetsleft byhim to his wodow the grant of Rs.300/- three hundred only is recommended as compassionate gratuity in accordance with the provision in the Madras compassionate gratuity Rules 1932.

The proposals could not be submitted earlier as the papers had to be referredto the Government Pleader to ascertain the validity of the "will" execute by the deceased and as the pay bills for over 50 years had to be traced out for the construction of the S.Roll. The records of enquiry containing 44 pages and the S.Roll in 4 pages are enclosed.

Yours faithfully

For Collector.

Application by Widow for a Gratuity on Compassionate Grounds.

I beg to state as follows-

I am the widow of the late Sri Cornelius F. J Pinto, of Puttur, South Kanara, and I am at present living with my daughter at the above address.

My husband, the said Cornelius F. J. Pinto was a Copyist in the Taluk Office, Puttur, South Kanara. He entered the service of Government, in the year 1899, and worked in the said Taluk Office for a period of over 55 years. He died on the 5th of May 1952. As the service was non-pensionable, he worked in order to earn his living until his death.

His services in the said Office were very much appreciated by every one of his Superiors and Officers. References may be made to all the Thasildars and Deputy Collectors who knew him personally for over two generations. His diligence, punctuality and uprightness is known to every one, who had anything to do in the Taluk Office, and all who knew him, had always some thing good to say about him.

As super-annuation in his Department of service meant retirement without any pension, and without any hope of even a bare wherewithal of life for the

support of himself and his poor family, a Scheme was submitted to Government by the Collector of South Kanara District, about five years before his death, but nothing was heard about it, and from the information I have just received it is said, that the said Scheme is still pending sanction of the Government of Madras.

As he became more and more feeble owing to advancing years, he rather preferred to obtain constantly long leave on grounds of illness, than submit his resignation or retirement from service, as hopes were held out to him that the Pension Scheme under consideration of Government, would any day be sanctioned. He lived in hopes and died in despair.

He leaves behind him myself his widow, and three daughters, one having died some years back. Of these three surviving children, one is married, one is a Nun and the youngest is living with me. He had no sons and that was another factor that caused him much distress in his old age.

I therefore most earnestly pray, that in consideration of the long period of honest service he rendered the length of which service of 55 years on a small pittance being by itself a ground for compassion, and the fact that he had no male issue to be a source of assistance to him in his old age, and the fact that his hard and conscientious work was liked by his Officers you may be pleased to grant me either an Annuity in the form of a lump Sum or a Widow's pension for life for which assistance my daughter and I shall always be grateful.

Yours faithfully

Statement of Mrs. Serpina Pinto, widow of late C.F.J. Pinto, Pulton, recorded by the Rev. Inspector, Pulton on 31.12.52

(17)

1 I am the petitioner in this reference bearing Con. No 339-52 dated 20.12.52 of the Taluk office. Pulton. The petition was submitted by me to the Collector of Skanda and to the Board of Revenue, Madras, praying for the payment of gratuity consequent on the death of my husband C.F.J. Pinto who had been working as a copyist in the Pulton Taluk office. My husband died in May last. He had put in a service of about 53 years as a copyist. He has left behind myself and 4 daughters as detailed in the genealogical tree of our family just recorded by you. We had no male issue.

2. My late husband owns (three) plots Srs. 179/2, 227 and 257-1 of Pulton village. Out of these 3 plots, one contains a house and a garden and this is occupied by me. The other one contains thatched houses which have been let out for rent. In half of the extent of this plot Srs. 227, a convent also exists. I get a monthly (coconut) rental of Rs. 20/- for the thatched houses and this is

11b

harder. Sufficient income even to pay the rent and for repairing the house annually. in a month. I dont get the monthly rental also in time and they are in arrears. My late husband has left behind a will in which it is stipulated that I shall enjoy the lands during my lifetime and that after my death they are to be enjoyed by my two daughters (~~Leticia Pinto Dsouza in the Q.P. Trust~~). The said will is now in the custody of Mr. Paul Pinto my grandson (Son of Rosely Pinto) who is a lawyer in Bangalore. If necessary, I shall produce the will. My late husband owned no other immoveable properties except the lands mentioned above. Being a Copyist, he had not contributed to the Q.P. Fund. He had not insured his life. He had no deposit in any of the banks. During his lifetime, there was a deposit of Rs 600/- in the Catholic Fund at Mangalore and after the death of my husband, the amount was paid to me by the Fund Authorities and it was spent for his funeral.

Regarding the liabilities, I have to state that as my husband was in a bed-ridden state for about 2 years, I had to borrow to the tune of about Rs 1500/- from all possible sources in addition to about Rs 600/- due to the members of my community. Several others & I have got none to support me.

The petitioner is the widow of (late C. F. J. Pinto who has been working as a Copyist in the Puttur Munsif office. He died on May last. A genealogical tree of the deceased's family and a descriptive Roll of the applicant in triplicate together with her statement are enclosed.

SOUTH INDIA
10 JAN 1953

The deceased Copyist had put in a service about 53 years' service according to the petitioner's statement. He has left behind the petitioner-widow and 4 daughters. The eldest daughter Rosa Menezes was married but she is no more. The second daughter Rosary Pinto is married and is living with her husband at Bangalore. The third one Cecilia (~~Benita~~) Pinto is not married and she is a Nun in a convent at Mangalore. The 4th daughter Benedicta Pinto is a teacher in the St Anne's High School at Puttur. The petitioner and the 4th daughter are putting up in the same house in Puttur Town.

The deceased had not insured his life. He has not contributed to the General Provident Fund nor has he got any deposits in Bank. Statement of the petitioner may be perused. But the deceased owns

Survey Nos. 179-2, [redacted]
Puttur Kasba Village Adangal and Chitta extracts of these properties are enclosed. As per
Survey 179-2 (3.00 acs) there is a tiled house in which the petitioner is residing. The while Survey 227 contains thatched houses and a Convent on a portion. Survey 257-5 is vacant. According to a rough estimate, it is learnt that these Lanced properties if sold today, would fetch not less than Rs 10,000/- (Rupees Thousand)

Enquiry goes to show that though the deceased has left behind the above landed properties, the petitioner has got no saleable rights to dispose of them as the deceased has left an un-registered will regarding the nature of disposal etc. Statement of the petitioner may be perused. The petitioner is not able to produce this will as it is said to be in the custody of her son-in-law at Bangalore. It is a point for consideration as to whether the provisions of the un-registered will are binding upon the petitioner so far as her right to sell the properties is concerned and if her right has been restricted in the will whether she can claim the right in a civil court. If the will is not a valid one, the petitioner has got a saleable rights over the properties in which case she does not deserve any consideration for the relief now sought. According to her Statement,

the petitioner is entitled to enjoy the above 3/
properties during her lifetime and that after
her death the properties shall be equitably
distributed among her 4 daughters. 2/6

Regarding the liabilities, the
petitioner states that she has incurred debts
to the tune of about Rs 2500/- in all — incurred
at a time when her late husband was in
a bed ridden state for about 2 years prior to
his death. There is nothing on record to
prove the above liabilities

A descriptive Roll of the applicant,
G. Tree of the family of the deceased and the
applicant's statement are enclosed. Other

Returned to the Tahsildar of Puttur.

Attention is drawn to paragraphs 3 & 4 of the Rev. Inspr report I. R 1337/62 dt 8.1.53. The R I says that the deceased has left behind a property assessed at Rs 5/31— situated in Puttur village and that it would fetch about Rs 10,000/- It is said that the deceased has bequeathed the property in favour of his widow. The will left behind should be got produced and sent to S.O. Puttur for opinion whether it is admissible in evidence especially when it has not been registered and whether the widow's form of disposal has been effected by this document & whether the document confers any right on the property to the children of the deceased

2 It is also reported that one of the daughters is living at Bangalore with her husband who is a practising lawyer there and that the will is in the possession of the deceased's son-in-law. Enquiries should be held confidentially to see whether the lawyer or his wife (deceased daughters) renders pecuniary assistance to the family. The statement that the will has been left in the possession of the daughter at Bangalore leads room to think whether the will has made it obligatory to attend the family of the deceased by her. This point should be cleared.

3. The R I also reports that one daughter is an employee in Hindu Brand School at Puttur and that the deceased mother is living with her. The rep. does not say what is the pay she gets as Teacher. This point

and absolute as contained and reported.

4. The Tahsildar should hold independent enquiry himself strictly in accordance with the G.O on the subject and submit this report based on his personal enquiry regarding the grant ~~of~~ or otherwise of the gratuity.

Note —

Returned to the Tahsildar Puttur.

I have Carefully gone through the Copy of the will dated 25—11—1940 left by deceased C.J.F. Pinto and also the Copy of the Codicil dated 4—6—1957 which forms part of the said will. The will and Codicil have taken effect on the death of late C.J.F. Pinto.

The will and Codicil are valid and enforceable in law although it is unregistered, because it is only a matter of proof. The properties covered under the said will devolve as per terms of the said will and Codicil. According to the original will dated 25.11.1940, the widow was granted an absolute Estate and she was Constituted as executrix of the will, but according to the terms of the Codicil, she was got only a life-Estate, and on her death, the properties devolve on Benedicta Pinto and after her on Rosalia [redacted] Benedicta Pinto

... Cranston Paul Pinto are appointed executors.
Hence under the terms of the will and Codicil
the grantors only a life-Estate but has no
saleable interest or right of dower or the estate
left by the deceased.

The papers are herewith returned;
